Pepkor: Learnerships 2024 / 2025 New Hiring

Description

Pepkor is seeking a motivated and organized individual to join our team as a Learnership Program Coordinator. In this role, you will be responsible for overseeing the implementation and management of our Learnership Program across multiple locations. You will work closely with various stakeholders to ensure the successful delivery of the program and the development of participants.

Responsibilities

- Develop and implement strategies for recruiting learners into the program, ensuring diversity and inclusion.
- Coordinate all aspects of the learnership program, including scheduling, facilitation of training sessions, and monitoring progress.
- Serve as the main point of contact for learners, mentors, trainers, and other stakeholders, providing support and guidance throughout the program.
- Collaborate with internal departments to align program objectives with organizational goals and values.
- Monitor and evaluate the effectiveness of the program, collecting feedback and making adjustments as needed to ensure continuous improvement.
- Maintain accurate records and documentation related to the learnership program, including attendance, assessments, and evaluations.
- Stay informed about industry trends and best practices in learnership programs, incorporating new ideas and approaches to enhance program outcomes.
- Act as an ambassador for Pepkor, promoting the learnership program and representing the company at recruitment events and community outreach activities.

Qualifications

- Bachelor's degree in Human Resources, Education, Business Administration, or related field.
- Proven experience in program coordination or project management, preferably in a learning and development setting.
- Strong organizational skills with the ability to manage multiple tasks and priorities simultaneously.
- Excellent communication and interpersonal skills, with the ability to build relationships and collaborate effectively with diverse stakeholders.
- Knowledge of relevant legislation and regulations governing learnership programs.
- Proficiency in Microsoft Office Suite and other relevant software applications.
- Ability to travel to various locations as needed.
